Good morning...Morena...Hello!

This week was a bit topsy turvy with lots on – but we are proud how the students coped with the changes and 'rolled with it'. Last week we had Sam and Harold from Life Education visit, and the students participated in classes around friendship, respect and kindness. A good message to reinforce and the children enjoyed the visits. We also had a visit from Christine Braid and all children participated in a class writing lesson focused on building sentences correctly.

We also had Constable Max visit and reinforce 'Bus Safety and Expectations'. Bus behaviour is something that is ongoing – and we continue to have some students (on all buses) who need reminding to stay in their seats, use appropriate volume voices and keeping hands to themselves. Please can you reinforce this at home too.

TERM TWO DATES

Week 11

- School Cross Country **Wed**

24 June

12.30pm

1 July – Art Exhibition

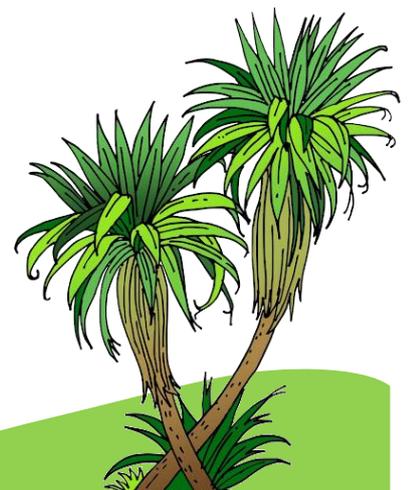

3 July - End of term two

On top of all this, student's participated in our Weber's Got Talent. Huge congratulations to Charlie Kjestrup (guitar) and Ruby Blyth (Singing) who were first equal. Ruby McKenzie and Stacy-Jay Harvey were third and well done to all of the children who were so brave and participated. We already have some students asking for another one.... which makes so proud!

This week it is much calmer which we are all very pleased about! Routines will be reinforced again, and we will get back into our cross country routine – much to the delight of the children I am sure. Please send a change of clothes for the hill run Tuesday, and for all those who love playing on the field each day.

Library returns this week and there is a note from Whaea Miffy. We also had our first Kapa Haka practise in a L O N G time on Friday ☺ There are also lots of sports notices for football, rugby, netball and hockey. The Destination Weber and Dannevirke facebook pages seem to have most information.

Library

Just a little welcome back to the library, this term is a wee bit different than others, due to the Covid-19. We will be starting library this Friday as usual, although our tamariki will take books to class and not home at the moment. We hope to go back to normal in term three.

Last Friday was my first day in the library getting all the books from over the lockdown period put back into our library. I have also sent home our Term 3 Lucky book club. Please can I have any orders in Friday the 19th of June, 2020 so that they will be delivered in time for school holidays.

Have a lovely week
Mrs Miffy

Kai Warmers

Kai Warmers are working well! A recap for our new families.... Children are welcome to bring something that can be heated in the oven to school each day. It needs to be wrapped in tinfoil and named. The children put them in their class spots and they are warmed in the third block. Ideas can be sausages, pizza slices, savouries, chops, last night's dinner, nuggets... the list is endless!

Rugby

The Puketoi Junior Rugby committee have decided that we will be reducing the subs to remove the Puketoi affiliation sub for the 2020 season. Therefore subs will be in line with the Dannevirke JAB subs, \$20 for one child, and a further \$10 for each extra child in the family. This is to be paid into the Puketoi JAB bank account, 03-0614-0581 532-00 and we will on-pay these to the Dannevirke JAB.

For any of you who have already paid, I will be in touch with each of you to get account details and we will refund any overpayment back to you.

As it has been a tough year for many local businesses, we have decided not to approach PGG Wrightson's for sponsorship this year, and therefore we will not be proceeding with an order for hoodies. Mark Jones & PGG Wrightson's have been an amazing support to our club over the years and have been very generous in their contributions to our club, I would ask that you all continue to support PGG Wrightson's for any of your stock & station requirements, Mark is always happy to help, very competitive with his pricing, and loves a good yarn over morning tea!!

Also, a big thank you to other regular sponsors of our club; Vet Services Dannevirke, Boehringer-Ingelheim NZ, Dave's Sports & Outdoors, and MCI & Associates.

Janine Satchwell
Principal
