## Good morning...Morena....Hello!

This week's value is Teamwork and what better week than this one to appreciate the teamwork involved in the running and success of a small rural school.

With the Weber School cross country upon us this Thursday I would like to thank Simon and Trudy Hales for allowing us to use their land for our cross country track. This year we have a new track that involves us all on one side. No running will be on the school grounds so that we are all in one place and can avoid road crossings.

## STAFFING

Karen Phelps has made the very tough decision to resign at the end of Term 2. Karen has informed her class so many of you will have been told by your child/ren. We thank her for the many years of service to Weber she has given Weber School and on behalf of the school and the community we would like to wish Karen all the very best in her retirement and any future opportunities she may wish to take. Details regarding Karen's farewell will be in a future newsletter.

## WEBER SCHOOL CROSS COUNTRY

If you are able to help us with Marshalling for the cross country we would really appreciate it! We are sending out a google form today so please fill it in to let us know if you can and what your children's bus arrangements are for the day.

I recommend runners wear running shoes due to some patches of thistles, so runners beware! Sneakers that can get wet and muddy, or rockpool style shoes would be appropriate.

If we need to postpone this because of the weather, we will put a post on Facebook and send it out on Skool Loop by 9am.

Please remember to pack a spare change of clothes and a towel for training.

### WEBER SCHOOL CRUTCHING DAY

Wednesday, 9th June 2021

Harwood Farm, Tahuokaretu Road, Weber  
4000 to Crutch, two 4 stand woolsheds.

We need - People to pen up, be on brooms and, of course, many on handpieces.

\*\*\*IF you cannot make it, how about offer to shout those that do – (I can arrange 😊).

\*\*\*Regardless, if you are coming or not, please let me know, saves me having to ring!!\*\*\*

Totally weather dependant...so if it is wet, we will postpone. Fingers crossed we will knock this out.

THANKS, HEAPS, for all the great support.

## COMMUNITY NOTICE

# Has your tamariki got a sticky, puffy eye?

Bacterial Conjunctivitis is very common and easily spread, particularly among younger children. It can be easily treated with eyedrops.

**You don't need to go to your GP.**

You can get free treatment for tamariki aged 2-13 from your local pharmacy.

It's important to get treatment quickly - you don't need an appointment to see the pharmacist, just pop in at a time that suits you

**Tararua**

- Dannevirke Pharmacy, 51 High Street, Dannevirke
- Pahiatua Pharmacy, 123 Main Street, Pahiatua

*This service is funded by THINK Hauora and MidCentral Community Pharmacy Group.*
