Fill the basket with knowledge

Good afternoon...Ahiahi mārie!

## PRINCIPAL'S VISIT

Tomorrow Lisa Anderson will be visiting Weber to meet the staff and students during interval and class time before returning to the Bay at midday.

A more formal welcome by the school and community will follow later in the term - date to be confirmed. Families and whanau will be notified of this date.

## PUKAHA MT BRUCE TRIP

This Thursday the junior and middle rooms are visiting Mt Bruce to learn more about pest control and methods used to eradicate predators of our native animals and birds.

This visit will consolidate and expand on learnings from the classroom of pests and how to eradicate them on our own properties, big or small. This visit ties in with our whakatauki of the week - fill the basket with knowledge

Students will be transported by private car and the Horoeke van and intend to leave as soon as the buses drop students at school. Thank you to our volunteer parents for offering to take students to Mt Bruce. We wish you an enjoyable day full of learning and we look forward to hearing how the day went.

Students are expected back at school by 3pm ready for the buses to depart for home.

Please add another warm layer of clothing to your child's bag as it can be very cold under the canopy of trees.

## INTERSCHOOL CROSS COUNTRY 16TH JUNE

### Help needed again please

We are hosting the inter school event and we need plenty of help in the form of marshalls for the course and the road, and 'floaters' to be general go-to people should anyone need help. Please let us know via email or phone call to the office if you are available.

**Entry to the event** - via the gate into the lane next to the school house

Walk across the fields parallel to the start line. No-one is to walk on the side of the road. Each school will be permitted one vehicle in the gate opposite the hall carpark to transport their school tent and equipment for set up. The gate will be closed to all other traffic.

**Food** - We will have a sausage sizzle and drinks stall as well as a tent selling coffee, tea and cake.

Proceeds will go towards senior camp, kapa haka uniforms and literacy books.

### PB4L

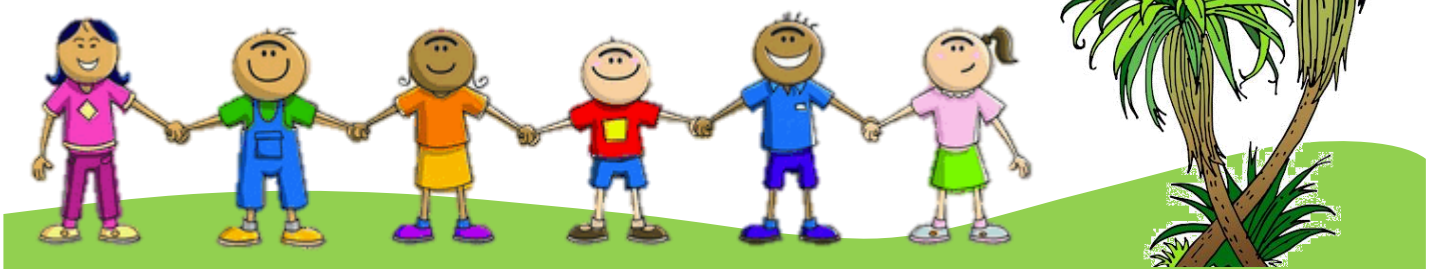

The focus for the last two weeks has been on putting our hands up and waiting to be asked for the answer rather than calling out. On Friday students who had earned 10 stars were treated to an ice cream sundae. Miss Holyoake set up the window from the staff room to the deck in the form of an ice cream soda shop bedecked with bunting and accessories.

### SAUSAGE SIZZLE

Orders in by Thursday lunchtime for Friday please.

## FUNDRAISING
